Dear Co-laborers:

Greetings from El Paso & Juarez!

We are excited to share with you that God has been moving in our lives and in the ministry. We praise God for the accomplishments of this past year. This past Thansgiving, 22000 people were blessed with a meal and a message of hope and salvation. For Christmas, 7000 children were blessed with a gift goody bag.

Your prayers support and contributions, help support 3 nutritional centers where 600 children eat daily. 120 children have come through Casa de Esperanza and have been blessed with meals clothing, medical care and spiritual guidance. In Conquista 2 homes have been opened to house an additional 30 children. We have ministered to many through 4 medical clinics, surgeries, 4 mission churches, and the bible institute (where 5 students have graduated in a 4 semester program and now serve in local churches). Because of these outreaches, thousands have come to the saving knowledge of Jesus Christ.

Thank you for your willingness and compassion toward the sick, destitute, underprivileged, orphans, widows, homeless and inmates. Thank you for your never ending support.

## CHILDREN'S HOME

Presently we are housing 75 children downtown and 25 children at our homes in the colonias. Please pray for the children as we are dealing with their spiritual and physical needs. Pray for the house parents at the homes and for our staff. We thank God for giving us the opportunity to

minister to these little ones and to plant spiritual seeds in their hearts. *"For I was hungry and you gave me something to eat. I was thirsty and you gave me drink. I was a stranger and you took me in, I was naked and you clothed me."* Mat. 25:35-36.

## NUTRITIONAL CENTERS

Please pray as we continue to feed the children of the colonias and plant seeds of Christs Love in their tender hearts.

*"For as you have done it to one of these little ones you have done it unto me. Mathew 25:40*

## MEDICAL

Please pray for the doctors and nurses that are ministering to the sick and treating their ailments with medicine, prayers and a high dose of encouragement and hope. They also perform and assist with surgeries when needed. *"I was sick and you visited me. Mathew 25:36*

## BIBLE INSTITUTE

38 students enrolled this semester to prepare and serve our Lord. There are 9 professors teaching these students 3 times a week. Bro. Leo directs this ministry as well as the Continuing Education and training for our staff.
